

Earth Day

Earth Day at Prince of Peace was celebrated in our typically unique fashion. The Sermon was cut short so everyone had a chance to tour "booths" with assorted ways to save energy and water.

Displays included:

Green Home Cleaning Products

Carol Rydeen

Bio-diesel and hybrid vehicles

Chris Bellizzi

Home solar

Todd Hauschildt

Green Team information

Brian Johnson

Nature Photography and Ecological Library

Pat Puder

Green Gardening

Julie Tomlin

Home Energy Audits

Martha Amram

Electrical Home Improvements

Rick Roy

Alternatives to Grassy Lawns

Anne Hess

Kindle - electronic reading device

Jerry Katzung

Checking out alternatives to grass lawns in an effort to use less water during droughts.

Pat shared her nature photographs and lots of information about

Showing off the Kindle - an electronic alternative to paper books and newspapers.

There was lots of interest in Bio-diesel vehicles

The Earth Box garden demonstration drew large crowds.
